- ◆ "No other event where we get this many people to talk about issues that are important to us and important to them."
- ◆ "Allows you to visit with all of the communities at one time instead of visiting each one individually."
- ◆ "A great way to interact with the decision makers of Oklahoma cities and towns."
- ◆ "Public officials will stop and talk to us and learn about our business and you don't get that at every trade show."
- ◆ "This is where municipal officials are coming, so this is where we want to be as well."
