Dear Sponsors and Exhibitors,

It is with great excitement that we invite you to sponsor and exhibit at the 2026 OML Annual Conference and Expo! This year, we are ***Still Cruisin' on Route 66*** and will be in Tulsa, September 15 - 17 at the Arvest Convention Center. We have listened to our partners and have made some exciting additions and changes to our sponsorship packages.

The OML Annual Conference brings together a statewide audience of over 700 mayors, councilmembers, trustees, city managers, clerks, public works directors, and other municipal officials representing approximately 180 Oklahoma municipalities. The attendees meet to learn, listen, question, and discuss the issues of our cities and towns.

The 2026 Expo will be held September 16 - 17. The Expo provides a unique opportunity for your organization's representatives to meet and interact with municipal officials. These officials are responsible for entering into contracts, making purchasing decisions and soliciting bids for their municipalities. OML's Annual Conference brings municipal leaders together to discuss issues that their communities face. This is your opportunity to show how your products and services can help to fill those gaps.

More information regarding sponsorship, booth rates, and deadlines can be found on the following pages. We appreciate your continued support, partnership and collaboration! For more information or questions, please reach out to our office.

See you in Tulsa!

DELEGATE ROSTER

In order to facilitate the follow-up of leads generated through delegate contact during the Expo, each exhibiting organization will receive an emailed copy of the official roster of delegates to the conference the week prior to the event.

All sales, taking of orders for future delivery, displays and distribution of literature will be limited to OML exhibitors and must be conducted in a dignified manner within the confines of leased space.

HOTEL ACCOMMODATIONS

OML has a conference room block and it will be available in your conference registration confirmation email. We will also send out an additional list of area hotels in case the host hotel fills quickly.

DRAWINGS & PROMOTIONAL GIVEAWAYS

Promotional giveaways and drawings are permitted with prior approval of the Oklahoma Municipal League. Announcement of winners will be made each day during Expo Hall activities. Delegates are required to be present to win. Only municipal officials and employees who are delegates to the conference are eligible to enter drawings held by vendors or OML. Exhibitors are NOT eligible for these drawings.

FORCE MAJEURE

The Annual Conference & Expo is subject to termination without liability upon the occurrence of any circumstance beyond the control of the Oklahoma Municipal League — such as acts of God, pandemic, war, terrorism, government regulations, disaster, strikes (except those involving the employees or agents of the party seeking the protection of this clause), civil disorder or curtailment of transportation facilities — to the extent that such circumstance makes it illegal, impossible, excessively difficult or expensive due to unforeseen contingency.

2026 OML EXPO RULES AND REGULATIONS

The OML Expo Rules and Regulations, Exhibit Space Contract and Exhibit Space Application together constitute your firm's agreement to exhibit at the OML Annual Conference & Expo. The Contract and Application must be completed by your company's authorized representative and submitted with full payment of the exhibit booth fee. It is the responsibility of your company to assign a Booth Manager who will be responsible for knowing and abiding by the rules, regulations and policies of the OML Exposition.

CONDUCT OF EXHIBITORS

Exhibitors shall conduct themselves in an ethical and professional manner and at all times conform to the policies of OML. It is the responsibility of the Exhibitor to see that the booth is staffed at all times during exhibit hours and that all business activities are conducted within the Exhibitor's allotted space. The primary purpose of the expo is to further the education of municipal officials and to make contacts for future sales.

DISPLAY BOUNDARIES

Exhibit space is sold in 10' x 10' blocks. The standard booth space is one 10' x 10' block (100 square feet). End-cap booths and island booths are created by combinations of 10' x 10' blocks. The actual dimensions of the exhibit space will vary according to the location of space. Exhibitors should take into consideration that even though a booth is sold as 10' x 10', the more accurate measurement for the interior space is 9'6" x 9'6" to allow for drape and vertical supports. No exhibit material may extend beyond the boundaries of the exhibit space.

EQUIPMENT AND FURNISHINGS

Each standard space will have an 8' high back drape and 36" high side dividers. If an Exhibitor is assigned a standard corner booth space, the divider at the end of the exhibit row may be removed. If an Exhibitor selects two standard adjacent booth spaces, the divider between the booth spaces will be removed. No back drape or side dividers will be furnished for island booth spaces. End-cap booth spaces will have a 20' back wall. The center 10' of the back wall will have 8' high back drape. The 5' on either side of the 8' high back drape will have 36" high drape.

DEMONSTRATIONS

All product demonstrations must be within the confines of the exhibit space. Aisles must not be obstructed at any time. Show Management reserves the right to determine if a demonstration interferes with adjacent exhibit spaces and when, if necessary, it must be discontinued.

VISUAL AND SOUND EFFECTS

The use of sound systems or equipment producing sound is a privilege and not a right. Show Management reserves the right to determine at what point sound constitutes interference with others and must be discontinued.

SUBLETTING OF SPACE

Exhibitors may not assign, sublet, or apportion the whole or any part of the space allotted to them, and may not advertise or display goods or services other than those manufactured or sold by them in the regular course of their business.

DISPENSING OF FOOD & BEVERAGES

Savor is the licensed contractor to provide food and beverage service in the Exhibit Hall. Each Exhibitor is subject to the Exhibit Hall concessionaire's rules and regulations regarding the dispensing of food and beverages. OML employees have no responsibility or authority to intercede between Exhibitor and concessionaire.

SOCIAL FUNCTIONS & HOSPITALITIES

Social functions sponsored by Exhibitors, OML affiliate members or corporate sponsors, must not be scheduled during exhibit hours, and must not conflict with any OML-sponsored conference activities. Hospitality activities must end by midnight.

INSURANCE

OML, OML employees, the Exhibit Facility and Exhibit Facility Management will not be responsible for damage to the property of Exhibitors due to theft, damage by water, fire, accident or other causes. Insurance, if desired, must be purchased by the Exhibitor.

SECURITY

Security will be provided from 5:00 p.m. on Tuesday, September 15, until 8:00 a.m. on Wednesday, September 16, from 5:00 p.m. Wednesday, September 16 until 8:00 a.m. on Thursday, September 17 and from 1:30 p.m. until 5:00 p.m. The property of each Exhibitor shall be at all times the responsibility of the Exhibitor. Neither the Oklahoma Municipal League nor the Arvest Convention Center is responsible for any material, articles, or equipment in the exhibits. Small or easily portable articles of value should be properly secured or removed for safekeeping after exhibit hours.

BOOTH BREAKDOWN

Early breakdown on Thursday is prohibited and goes against the Expo rules and regulations. Exhibitors must keep their booth set up until the breakdown time of 1:00 p.m. For the safety of exhibitors and delegates, there will be absolutely no breakdown allowed while the Exhibit Hall is open to delegates.

FAILURE TO OBSERVE RULES

Violations of any of these regulations may lead to forfeiture of the right to occupy space in the Expo and forfeiture of all monies paid by the Exhibitor. Show Management may enter and take possession of the space occupied and remove all persons and goods at Exhibitor's risk and the Exhibitor shall pay all expenses and damages which OML may incur thereof.

AUTHORITY OF OML

All points not covered in these Expo Rules and Regulations are subject to the decision of Show Management and the Oklahoma Municipal League, Inc.

USE OF OML LOGO

Any use of the OML Logo or OML Conference Logo must first be approved by Oklahoma Municipal League, Inc.
