ABOUT THE MC&T PROGRAM

The MC&T Program is the Oklahoma Municipal League’s Clerk/Treasurer/Finance Officer Certification Program. It has operated since 1994 through a training contract with the Oklahoma Department of CareerTech, and is statutorily appointed to train this group. Certification requires registration into the program, payment of the registration fee, and attendance at one annual regional training approved by the MC&T Advisory Committee. You may also obtain 4 hours of Handbook training to receive certification.

This class alone does not meet the hours required for certification, but will count towards it. More Handbook webinars will be available throughout the upcoming year!

For more information contact Cheryl Adams at cadams@oml.org or 405-528-7515
