State law requires each person elected or appointed for the first time as an officer of a municipality to attend an institute for municipal officials. The statute is codified at Title 11 O.S. Section 8-114.

An officer is defined in 11 O.S. Section 1-102 as "any person who is elected to an office in municipal government or is appointed to fill an unexpired term of an elected office, and the clerk and the treasurer whether elected or appointed. When "officer" or "official" is modified by a term which refers to a personnel position or duty, the holder of the position or duty is not an officer or official of the municipality for any purpose."

The Oklahoma Municipal League is certified by the Department of Career and Technology as a trainer to implement this Act.

Additional Information:

- This workshop offers 8 hours of CMO (Certified Municipal Officials) credit.
- This workshop also fulfills State Certification requirements for the MC&T Certification Program.
