

OKLAHOMA CODE ENFORCEMENT ASSOCIATION Safety Grant Application

Purpose

The Oklahoma Code Enforcement Association is committed to ensuring the safety of all members while performing their duties. This grant opportunity allows OCEA member municipalities to obtain body cameras to help promote a safer working environment for code enforcement personnel and the communities they serve. The program provides financial resources to eligible OCEA members; please note that this is a **reimbursement grant**.

Application Requirements

Applicants must be employed as a Code Enforcement Officer with an active OCEA membership. Both the applicant and the supervisor/department head must sign this application. Currently this safety grant will only reimburse costs for Body Cameras & Holsters.

- **Body Camera & Holster:** OCEA will reimburse a municipality for up to \$50 for a body camera and a holster/holder. A receipt, a picture of the recipient with body camera and/or holster will need to be submitted in order to receive reimbursement.
- **Signatures:** Both the applicant and a supervisor or department head must sign the application. This signature requirement signifies that the municipality authorizes the use of a body camera by the applicant.

Reimbursement will only be made to the recipient's municipality. Any costs exceeding the \$50 threshold are the responsibility of the recipient or the municipality.

Grant Rules

- The number of OCEA Safety grants for each year will be determined by OCEA based on available resources.
- ***Please submit applications by 5pm on February 13, 2026.***
