20% to Charity

For every 5 you buy, we donate 1 to a person in need! Absolute Exhibits is committed to giving back to our community and helping to stop the spread.

Everyone needs a face covering and that includes our homeless population and children at-risk, so we are focusing our donation efforts with them in mind. This pandemic does not affect one group, we are all in this together and not everyone can afford a proper face-covering, so we want to help.
